

Meet the Lead Tutor

Precious Ajanaku is a devoted child of God with a deep passion for raising children who know, love, and walk with Him from an early age. She believes that **children are full participants in God's Kingdom** and should never be left out of what the Kingdom is truly about. Her mission is to help children understand their identity, authority, and purpose as Kings and Priests in Christ, equipping them to grow in faith, character, and leadership from a young age.

A trained medical professional, Precious brings discipline, care, and responsibility into her teaching and mentoring. She has years of experience nurturing children in God's Word as a children's Sunday school teacher at her family church. She also leads JourneyThroughTheWord with TLA, a Bible-reading community helping believers read through the Bible yearly, and The Daughters Evolving Ministry, focused on spiritual growth and purpose for women.

Precious is the **author of *Don't Drop The Child***, a book dedicated to stewarding children in their early years. The book reflects her conviction that a child's foundation in Christ must be laid intentionally and prayerfully, and it is available for purchase here: <https://bit.ly/GetDDTC>

Under her leadership, the **KKP Online Bible School** provides a **safe, Spirit-led, and nurturing environment** where children can learn the Word of God in an age-appropriate, engaging, and practical way. Precious personally oversees **lesson planning, teaching, and spiritual guidance**, ensuring that each child's learning experience is **interactive, fun, and transformative**. She incorporates **curriculum guides, worksheets, memory verse cards, and interactive activities** to reinforce learning and help children apply God's Word in daily life.

Parents can learn more about her work and ministry here: https://linktr.ee/The_LadyAjike
